

Garage Door Replacement and Repair

We have been replacing and repairing garage doors in Dallas, TX for over 10 years. We specialize in the installation, repair, and service of not only garage doors, but also automatic door openers, flooring and garage cabinets as well.

We have been doing this a long time and understand how to match what you want with the best product fit. Whether it be a certain look or function you want to achieve or you have a tight budget, we are here to help you get what you need.

We work in the garage door service and repair Dallas Residential Market, as well as the commercial overhead garage door repair for both new construction and retro fit markets. Fox Overhead doors offers a wide array of door styles from steel to custom wood [garage doors](#) and we are guaranteed to have something to fit your style and budget.
